

Q CASTING NETWORKS

Subscriber Agreement

Dated 12-15-2024

The website at <http://qcastingnetworks.com> contains information that may interest professionals about movies, television, and the entertainment industry from Q CASTINGS NETWORKS and third parties. Your access to and use of the Site is governed by this Subscriber Agreement ("Agreement"). As used in this Agreement, "https://qcastingnetworks.com," "we," "us" or "our" refers to qcastingnetworks.com, and "you" or "your" refers to you, the user of the Site. The Agreement below is the agreement you consented to upon subscribing to the site. This Agreement does not apply to the use of the publicly available Web Site maintained by qcastingnetworks.com

Your Account

If you use Q Casting Networks Service, you are responsible for maintaining the confidentiality of log-in information and for restricting access to your computer, and you agree to accept responsibility for all activities that occur under your account or password. We reserve the right to refuse service, terminate accounts, or remove or edit content at its sole discretion.

Q Casting Networks is not a talent agency, employer, or talent scout. It is a platform that provides casting calls, several available castings may vary depending on location roles, and experience. As with any, individual results may be based on capacity, experience, expertise, and level of desire. We cannot guarantee any level of income for our users.

"The trademarks, logos, and brands displayed on our website are the property of their respective trademark holders. These trademark holders are not affiliated with our website, and they do not endorse or sponsor our services or products." Let me know if you have any other requests.

PROTECTING YOUR INFORMATION

We prioritize the security of your personal information. Our security measures are designed to prevent unauthorized alteration, loss, and misuse of your data. Trust us to keep your information confidential.

Disclaimer: Q Casting Networks is not a talent agency, employer, or talent scout. Our website serves as a platform that grants access to casting calls. We do not guarantee employment and the number of casting calls available may vary depending on location, roles, and experience level. As with any business, individual capacity, experience, expertise, and level of desire may affect results. Please keep in mind that there are no guarantees regarding the level of income you may earn."

SUBMISSIONS

You may submit reviews, comments, and other content, as well as suggestions, ideas, comments, and questions, including resume information, Pro data, posters, photographs, video demo reels, breakdowns, and casting notices. Digital technology refers to the use of electronic tools, devices, systems, and resources that process, store, and manage data. It encompasses information technology, communication technology, artificial intelligence, and Digital technology, which has revolutionized how we live, from how we communicate, work, and even entertain ourselves. Or other information, to the Site or make your blog or social media content (e.g., your Twitter updates) available to us ("Submissions"), so long as the Submissions comply with the restrictions in this Agreement. Q CASTING NETWORKS does not pay or consider submissions.

This policy clearly outlines the restrictions and responsibilities related to minor users on the Q casting Website. Here's a breakdown of the key points:

Age Restriction: Individuals under the age of eighteen are prohibited from using the Q casting Website unless they are registered by a parent or legal guardian.

Registration Requirement: Minor Users must have a Parent Registered User, who is at least eighteen years old, register on their behalf. This registration must include the parent's name, email, and credit card information.

Responsibility of Parent Registered Users: The Parent Registered User is responsible for all activities on the website related to the Minor User. This includes:

Submitting applications.

Messaging other users.

Managing account settings.

Terminating the account if necessary.

Copyright notices and complaints are important components of copyright law, which protects the rights of creators over their original works. Here's a brief overview of how they function:

Copyright Notice

A copyright notice is a statement that indicates the ownership of a copyright in a particular work. Although the presence of a copyright notice is no longer required to establish copyright (since the Berne Convention), it serves several purposes:

1. **Identification of Copyright Owner**: It helps to identify the creator or owner of the work.
2. **Date of Creation**: It provides information about when the work was created or published.
3. **Legal Protection**: It serves as a warning to others that the work is protected by copyright, which can deter infringement.

A typical copyright notice consists of three elements:

- The symbol © (or the word "Copyright")
- The year of first publication
- The name of the copyright owner

Example: © 2023 John Doe

Copyright Complaints

If someone believes that their copyright has been infringed, they can file a complaint. Here are the steps typically involved in addressing copyright infringement:

1. **Identify the Infringement**: The copyright owner must determine if their work has been used without permission.
2. **Send a Cease-and-Desist Letter**: The owner can send a letter to the infringer asking them to stop using the copyrighted material. This letter should specify the infringement and may demand the removal of the infringing material.
3. **File a DMCA Takedown Notice**: Under the Digital Millennium Copyright Act (DMCA), copyright owners can send a takedown notice to the service provider hosting the infringing content. The notice must include specific information, such as:
 - Identification of the copyrighted work
 - Identification of the infringing material
 - Contact information of the copyright owner
4. **Seek Legal Action**: If the issue is not resolved, the copyright owner can pursue legal action in a court of law for copyright infringement, which may lead to monetary damages and/or injunctions against the infringer.

Important Considerations

- **Fair Use**: Some uses of copyrighted materials may qualify as fair use, allowing limited use without permission. Factors include the purpose, nature, amount used, and effect on the market value of the original work.
- **Registration**: While copyright is automatically granted upon the creation of a work, registering it with the copyright office can provide additional legal benefits, especially when pursuing damages.
- **International Considerations**: Copyright laws can vary significantly by country, so international considerations may apply if infringement occurs across borders.

If you have a specific situation or question regarding copyright notices or complaints, please provide more details!

All submissions intended to improve or modify the Site ("Site Submissions") become the property of Q Casting Networks, to which you assign all associated rights and interests. For other submissions ("Content Submissions"), You grant Q Casting Networks and its affiliates a comprehensive, royalty-free license to utilize your content globally in various forms—such as reproduction, modification, and distribution—indefinitely. They may also choose to use your name in association with your submissions.

By submitting content, you affirm that you either own or control all rights to the submissions, ensure their accuracy, and confirm that their use complies with the agreement and does not harm any individual or entity. You also agree to follow any posted submission guidelines and accept responsibility by indemnifying Q CASTING NETWORKS and its affiliates against any claims arising from your submissions.

Q CASTING NETWORKS takes no responsibility and assumes no liability for any Submissions posted by you or any third party. No Submissions are subject to any obligation of confidentiality or limited use by Q CASTING NETWORKS and Q CASTING NETWORKS has no obligation to you for any use or disclosure of Submissions.

Q Casting Networks includes a legal disclaimer stating that it does not endorse or take responsibility for third-party websites, including affiliates. The main points are:

No Endorsement: Q Casting Networks does not support the content of third-party sites.]

No Responsibility: It is not liable for the accuracy or content of these external sites linked on their site.

User Risk: Users engage with third-party sites at their own risk and under those sites' terms.

Direct Transactions: Transactions on third-party sites are strictly between the user and the site provider, with Q Casting Networks remaining uninvolved.
